Special Note:

*If the trailer is going to be exported please add R4 500 for Police Clearance, Data dot and Export Registration

* All Roadworthy documents will be given to you, please ensure that you register the trailer within 21 days of receiving them at your local municipality. So that it can be taken off our name, on the system.

We do not replace lost papers or taken any responsibility if you do not register the trailer within 21 days.

* We strongly advise you to take insurance out on your trailer. The minute the trailer leaves the factory the risk will be on you whether you collect yourself, use an agent that we suggest, or arrange yourself, use an agent that we suggest or arrange yourself. Same as with a Cargo Company.
